<b>Packaging:</b>	Food grade vacuum pouch	
<b>Label Information:</b>	Product description, weight, storage instructions, batch code, pack date, use by date, Beef labelling information as required	
<b>Storage Instructions:</b>	Fresh meat at <2°C, frozen meat <-18°C Once opened use with 48 hours	

### Preparation:

All livestock must be from farms operating in compliance with a farm assurance scheme and must be transported, slaughtered and processed in compliance with the quality assurance scheme. Mince must contain a maximum of 20% fat (as measured by chemical analysis using British Standard methods), approximately equivalent to beef having an overall 85% visual lean prior to mincing. Mince must be 100% with no extra additives, fillers or other ingredients.

**Eblex Code: Mince B001**
